

Leading the Ride!

See What Sets Seminole PowerSports Apart.

From expert technicians to major investments in our future; we're built to serve your powersports needs.

☐ Trusted. Proven. Powered for the Future.

At Seminole Powersports, we're more than just a dealership—we're a driving force in the powersports community, and we're proud to share how we continue to lead with experience, innovation, and customer-first service.

▣ Dedicated to the BRP Spyder Community

Since 2007, Seminole Powersports has been an early adopter and proud supporter of the BRP Spyder, showcasing our ongoing commitment to exceptional sales, service, and accessories for this one-of-a-kind ride.

We're home to David "Spyder Dave" Rail, a trusted expert and enthusiast who has been part of our family since 2010, sharing his passion with every customer.

Our dedication to quality is backed by the expertise of our Can-Am Master Certified Technicians — Ryan Devilbiss (2021) and Jeff LaChapelle (2017) — serving both our Sanford and Eustis locations, ensuring every Spyder gets the professional care it deserves.

□ Supporting Riders Where It Counts

For seven years, we've proudly sponsored the Annual Fall Spyder Bike and Trike Fest in Deland, helping raise thousands of dollars for the Road Warriors Foundation, and for nine years we've partnered with the Speedcoast Chapter of the US Spyder Ryders in Daytona, FL.

This year at the 2025 Fall Spyder, Bike and Trike Fest, we're taking things up a notch with a Tech Talk & Q&A led by our BRP Master Tech, Ryan Devilbiss — a no-nonsense session packed with real-world riding tips, maintenance must-knows, and insider Spyder secrets.

Plus, Ryan and the SPS crew will be on-site all weekend offering laser alignments, general service, and accessory installs so you can keep your ride in peak condition without missing a moment of the fun.

2025 Fall SPYDER , BIKE & TRIKE Fest Registration

Our First Annual Can Am Connection: Tech Talk for Riders.

We will be at the 2025 Fall Spyder, Bike and Trike fest to discuss the latest in Can Am vehicles. Come share your passion, ask questions, and connect with fellow enthusiasts!

SPYDER, RYKER, OR CANYON**

□ Investing in the Best Service Team

At Seminole Powersports, we're investing in the best service team to deliver the ultimate experience for our customers. We've already put over \$500,000 into facility improvements at

both our Sanford and Eustis locations, including an air-conditioned Service Department in Sanford to keep our technicians comfortable while they work on your ride. And we're not stopping there — an additional \$1.5 million investment is underway in Eustis to expand technician comfort and efficiency, ensuring our Powersports customers receive nothing less than top-tier service every time!

Backed by Parks Motor Group

With 43 years in business, Parks Motor Group stands behind Seminole PowerSports—we're here to stay and ready to grow!

□ “We’ve earned your trust and respect. Give us an opportunity to earn your business.”

□ Visit us in Sanford or Eustis today to see why we’re #1infastfun.
